What is EQUUCEL®?

Equucel is a high performance horse bedding offering a total solution to your stabling needs and lasts three to four times longer than traditional bedding products

Cosy, Comfy & Clean ... "Because they're worth it"

Easy to Handle

Available in easy to handle bags or more economical 500kg bags for use in larger yards

100% Recycled Paper

Equucel cellulose fibres are extracted from 100% recycled paper putting to good use paper that otherwise could find its way to landfill sites

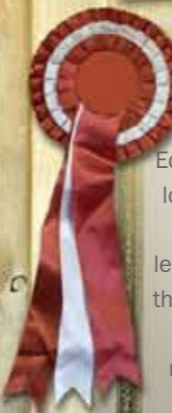

Warm & Cosy

Equucel has impressive thermal insulation properties helping to keep your horse warm and comfortable

Easily Disposed

Ideal for use in portable stabling, trailers and horse boxes. It's highly biodegradable and can be easily disposed of away from your stable

Low Carbon Footprint

Equucel has extremely low embodied energy costs requiring far less energy to produce than other mainstream bedding products resulting in reduced CO₂ emissions

Highly Absorbent Low Odour

Proven to benefit horses with allergies compared to other bedding products

Horse bedding designed with the environment in mind!
